PROFILE INFO

A passionate Web Designer and Software Developer with expertise in creating sleek and efficient websites and applications. As a Web Developer, I craft dynamic, responsive solutions tailored to client needs. Beyond coding, I'm an avid Gamer who enjoys exploring new worlds and experiences. I combine creativity and technical skill to bring innovative ideas to life. Let's build something awesome together!

EXPERIENCE

Skilled in web development with expertise in HTML, CSS, JavaScript, PHP, and MySQL.

Strong foundation in front-end development for visually appealing and responsive websites.

Proficient in back-end development for building dynamic and efficient web applications.

Solid understanding of database management and optimization for performance.
